Message from the SCA President

Lee Ann Stusnick – Lstusnick@aol.com

Wow, what a great National Specialty held at the Roberts Centre this April. I want to personally thank show chair Marnie Layng, co-chair Jaime Stanchina and all the members of the show committee for their hard work to make this event possible. The event staff at the Roberts Centre and at the hotel were very easy to work with and the venue was outstanding. The 2024 SCA National is “penciled in” for the week of April 21, 2024, at the same location.

Our National in 2023 will be held in Olympia WA, April 18-21. Cascade Schipperke Club will host the SCA National, as well as hold its own regional specialty April 17. Grant Fredricks is the show chair for the events. Start your planning now to attend next year. Don't forget to make your trophy sponsorship pledges!

VERSATILE SCHIPPERKE AWARD PROGRAM

Celebrating Success

This program is a way to acknowledge and recognize teams that participate in multiple events; it is a complimentary program to other SCA companion event awards such as Obedience/ Rally/ Agility Top 20. It is to encourage Schipperke owners to show off our unique breed in different activities and venues (at least one owner of record must be a SCA member in good standing).

Both the Versatile Schipperke Award (VSA) and Versatile Schipperke Excellent (VSX) awards allow teams to chart their own path – with 16 categories to choose from, you can select activities that suit your interests, aptitudes, and local availability. Within each category are “*” points – points are cumulative, but not additive within the same line. Using Category 2 as an example: Fido has achieved the Beginner Novice (BN) and Rally Advanced Titles (RA) he counts 1* for BN, 1* for RN (as RN precedes RA) and then 2* for RA for a total of 4* for Category 2. If Fido has RN & URO1, it is still 1* as they are on the same line.

Category 2 – Obed/Rally (Companion)	
1*	BN
2*	CD, PCD, GN, UCD
2*	CDX, PCDX, GO, UCDX
2*	UD, PUTD, VER, UUD
2*	UDX, PUDX
3*	OTCH, POC
1*	RN, URO1
2*	RA, URO2
2*	RE, URO3
2*	RAE, URX
2*	RM
3*	RACH

VSA requires titles or awards in **three** categories and a total of **7** points (stars). **VSX** needs **12** stars from **four** categories and one of those categories **must** be from either **Category 2** (obed/rally) or **Category 3** (agility). Applying for the award is simple– provide an AKC, UKC or applicable title report or certificates, fill out the application, and email the packet to 3schipsandagirl@gmail.com, or agilityschips@gmail.com. If you wish to mail hard copies, contact the committee for the address and do not send original documents.

To obtain your AKC report you need to access (or create) your account at www.akc.org, add your dogs, click on Titles and Points, and then Printer Friendly Page. UKC has an online point check system <https://www.ukcdogs.com/points-check>; scans or photos of other title certificates from other registries are also accepted.

For dogs that have achieved VSA and VSX in the same year, (Congratulations!) you can either apply for VSA or VSX during the calendar year, but not both. Points never expire. **Dogs may only earn one VSA and one VSX in a lifetime.**

Teams receiving their Versatile Schipperke or Versatile Schipperke Excellent will be recognized in the SCA Bulletin after National Specialty. These special awards provided by donations from the Performance and Companion Dog Event Liaison Committee fund raising campaign.

The VSA and VSX awards celebrate the intelligence, athleticism, and work ethic of this amazing breed. Join us in recognizing your accomplishments and achievements by submitting your application.

Thank you to all of the SCA members who have been so supportive of Emma's junior showmanship career these last few years. The team that she created with Journey was one that I am so very proud of.

Emma was Best junior handler at the Schipperke Club of America

Journey Had a very successful National Specialty week. She was AOM at both the Southern Michigan Schipperke Club and the Schipperke Club of America.

Emma & Journey also made the finals at Westminster!!

Capri GCH Embrace Chasing a Pot of Gold

Emma and I are so proud of this "Freddie" x "Journey" baby. At just 19 months old she is a multiple breed winner and was AOM at the Southern Michigan Schipperke Club regional specialty.

At such a young age Capri has proven herself in the ring and at home in the whelping box having just whelped her first litter of puppies. She was an amazing mother and Emma and I look forward to what the future holds for her in the show ring.

The SCA 2022 National Specialty

Chair: Marnie Layng

I was very honored to be asked to chair the SCA National Specialty again and despite many set backs and some road blocks, I'm very pleased to have accepted the position. I was very glad to also have been able to attend as that was in question for many months. Thankfully, the Canadian and American governments opened the borders to road travel just in time, making getting there much easier for me.

Organizing for the 2022 National was held back temporarily, so as not to interfere with planning for the 2020 and 2021 Nationals, as well as hinder efforts to get volunteers and sponsorship for those events. With seven months to make the 2022 Specialty a reality, an awesome albeit small group of SCA volunteers stepped up and the rest is history as the saying goes.

Jaime Stanchina had agreed to chair the SMSC Regional Specialty for her club and as we discussed how that event would work with the SCA National, I managed to talk her into co-chairing the National with me. I won't ask her if she regrets that decision, because I'd like to maintain our growing friendship. LOL Jaime proved to be a godsend to both clubs and especially to me. We did suffer a lack of volunteers for this National, which was to be expected being the third national in a seven-month period.

We wanted to really put focus on the versatility of our favorite breed during the 2022 National week and so I asked the SCA Performance / Companion Events Chair - Deb Bruner, as well as Kathy Swan and Megan Lake to join the 2022 Show Committee. Together we decided that we would hold the mandatory Obedience & Rally events, but in addition would offer educational seminars on popular and new events that Schip owners would enjoy. These ladies became, or found the presenters required to provide excellent seminars and workshops as well as having Kathy Swan's sister, Judy Dove provide CGC/CGCA Testing during the week. We also offered Fast Cat trials during both the SMSC Regional and SCA National Specialty shows. Feedback from attendees has been very positive. They really liked having a day dedicated to companion dogs and I hope that the SCA will continue to provide time for educational events for all Schipperke enthusiasts, conformation and companion, moving forward.

The Top Twenty Chair this year was Dara Wilcox. I was thrilled when she contacted me volunteering to fill this position. She knew exactly what she wanted the theme to be and who she would need to help her. Equally important, she collaborated so well with the rest of the SCA Committee. The Top Twenty theme was a huge hit this year as you will see pictorially in this issue.

I need to thank the entire Show Committee and anyone who helped out in any way. Most of all I need to thank the SCA Members who stepped up once again to sponsor all of the trophies for the Specialty. And I'm so pleased that so many attended the event in Ohio, coming from near and very far away to do so.

I have always appreciated the SCA National Specialties, especially those that I have been able to attend over the years. They have provided me with the opportunity to learn, to see and get my hands on great dogs that otherwise I could only see in pictures. And as a Canadian member to be able to see my own breeding in the same ring with so many other Schipperkes is such an eyeopener. Comparison is a great learning tool. Please SCA keep this annual event going forever. Remember it takes the entire club in one capacity or the other to run events of this magnitude. Give yourself the chance to learn what it takes to run a Specialty week in order to preserve this tradition and appreciate being able to attend them. Serve your club in anyway you can, be it on the Board, on a committee, as Show Chair, etc. That is how clubs survive and how our breed will be preserved. Please support the 2023 National Specialty Committee as they work toward holding the next big event.

Thank you for allowing me to serve the SCA as 2022 National Show Chair.

The SCA TOP Twenty 2022

Unforgettable!

**Chaired by: Dara Wilcox
Co-Chair: Barbara Moore**

The 2022 Top Twenty

The 2022 Top Twenty event was a smash hit! Chaired by Dara Wilcox and Co-chaired by Barbara Moore, it was bound to be successful. I truly appreciate their enthusiasm and dedication to the event this year.

At this point I have to pay tribute to Barb Moore. Newly retired in January, she was glad to have the time to serve the SCA and in fact had accepted a position on the BOD. And she had eagerly joined with Dara to help make the Top Twenty a reality. She was excited about the National being at the Roberts Centre in Ohio and seeing her many friends there. She was passionate about creating the catalog and did a marvelous job of putting it together with creativity and preciseness. We had many conversations about her vision for the catalog and the graphics she wanted to use, and of course about Schipperkes. I was really anticipating meeting with Barb and having time to talk in person.

Barb & Brian

Barb suffered a gallbladder attack in April and needed to be hospitalized to have surgery to remove it. We were all worried about her ability to continue working on the committee and especially the catalog. Barb trudged on through to get ready for the Top Twenty event. She didn't want to let Dara down, or any of the members that had entered the competition. What wasn't immediately known was that although Barb was discharged from hospital and continued working on the project, that she was still very ill. She pushed on through debilitating circumstances, that would have sidelined most of us.

Unfortunately, before she could leave, Barb had to make the decision to stay home as she was not well enough to travel. We were all devastated by this news. She still ensured that the catalog would be available by entrusting her long-time friend Brian Carbone to pick up the printed catalogs and take them with him in his RV so they could be distributed to the exhibitors. Brian was once again providing the music for National events, but he and his Mom took on the job of giving out the Top Twenty catalogs to those who ordered them.

Barb did not get to the National, nor will she have the opportunity to fulfill her breeding goals, enjoy her family, or Schip companions, because Barb was admitted to the Mayo Clinic. Her illness was terminal. We have all lost a great person, fellow SCA member and Schipperke person. Our sincere condolences go to her loved ones and her dear friends such as Patricia Campbell.

Thanks to Dara & Barb, the 2022 Top Twenty event exceeded expectations. The pictures you will see in this issue are a testament to that. Hopefully it will also reinforce in all of our minds that the dog shows, especially the National Specialties, are not all about competing, or winning. It is an opportunity to learn how to be better breeders, gracious exhibitors and to celebrate our Schipperkes. Most importantly it is a time to socialize with our friends, new and old, and cherish the chance to be able to get together.
