Message from the SCA President

Lee Ann Stusnick – Lstusnick@aol.com

September in Topeka KS the SCA held two National Specialties and Annual Membership Meeting. It had been nearly 2 ½ years since members and fanciers have been able to meet to celebrate our wonderful Schipperkes and the people who love them. Kudos to the 2020 Show Chair Beverly Henry, 2021 Show Chair Jo Patrick and Obedience/Rally Co-Chairs Mary Kraus and Brenda Boell, as well as the entire show committees, for making these shows possible.

Congratulations to our end of year top winners:

We look forward to our 2022 National Specialty to be held in Wilmington, Ohio at the Roberts Centre Holiday Inn. Dates for the Schipperke Club of America National Specialty are Tuesday, April 19 through Friday, April 22, 2022. Information is available at www.SCA national.com.

ZEDD Earns His "EN" (Elite Nosework / UKC) Title!

CKC/UKC CH DHS Wizard Legend of Danznstarz "Zedd"
CGN SDO PCD RATO EN CGC

Zedd comes from the Schipperke lineage of Pat Boggs (DHS Dreamers Haven) and Kathy Lytle (Danznstarz)

In 2013 the AKC recognized "Search and Rescue" dogs with a title – Pat's Schipperkes were the first (and maybe the only!) to be awarded these titles

Unfortunately, Pat passed away 3 years ago, and her husband Ray just passed away very recently as well.

How long have you been a member of SCA? Several years as an associate member and I was recently approached by Stephanie Woodrow of the Colonial Schipperke Club about becoming a full member and my husband joining the SCA as well

Name of Schipperke(s) you have/currently owned. Current Schipperke-mix is Reilly; previous Schipperkes who have crossed the rainbow bridge are Guinness & Jameson (Jamie)

How did you start in schips? -first schip? first experience with the breed? In 2003 I had bought my first house with a small, fully fenced back yard. I was looking for a small, intelligent, loyal, hearty breed of dog and had narrowed my research down to Schipperkes and Boston Terriers. I found a Schipperke first and it's been the only breed for me since then. Guinness was my first Schipperke who truly touched my heart and soul. He was so special and I still miss that little guy every day.

What do you love about the breed? I absolutely love their confidence, quirkiness, determination, loyalty, love, and playful nature. Seeing a Schipperke (or my Schipperke-mix, Reilly) everyday makes me a better person who stops to see the joy in every day through the Schipperke lens.

If involved in sports or conformation with your schips please describe your involvement. Reilly has really taken to Fast CAT. He's earned his BCAT this year and should finish his DCAT before the end of November.

Any exciting recent brags? My husband and I have been working with a trainer to better understand how to have the best life with Reilly. Watching Reilly blossom when we all communicate well is the thing I most want to brag about. The isolation of the pandemic really kept both Reilly and me at home together 24/7. While my husband Brendan went out to work each day, my work day was at the desk in the house. This isolation wasn't good for either one of us and contributed to Reilly's reactivity with other dogs on walks and with children (he's never been a fan of kids). Working with the trainer we've been able to get Reilly to a place where he doesn't react; he ignores and moves on. This makes me prouder than anything!

What is your most memorable Schip moment? Probably a dog show in Allentown, PA, where Guinness and I were working on moving beyond his Beginner's Novice title. The off-leash heeling was a fiasco because rather than heel next to me in the ring, he played to the crowd instead. We were disqualified, of course, but it was probably one of his best moments – Guinness being the center of attention and getting everyone to smile and laugh and feel better because of his antics.

Any additional remarks/stories you would like to share? I often think that Guinness coming into my life in 2003 taught me to love and to open my heart. I think he helped me be open to meeting Brendan and marrying even though I swore to never get married. Guinness passed on his teaching to Reilly because after Guinness passed away I thought I wouldn't be able to love another dog, let alone another Schipperke and in walked Reilly to our lives. Two weeks to the day of losing Guinness, Brendan and I were driving to Cleveland, OH to meet then 7 month old Danny in foster care. "Danny" sat on my lap then Brendan's upon meeting us and from that moment forward it's been a journey in love and laughter with our little Reilly. He's named Reilly because he lives the "Life of Reilly" just like Guinness and Jamie did before him with us!

2020/2021 NATIONAL SPECIALTIES

by Beverly Henry

As show chair for the 2020 National, I had a bit of a rough start because the person chairing both 2020 and 2021 had resigned. Turned out the 2020 trophy chair and the person soliciting for donations both resigned along with the former show chair so, even though trophies are on my short list of jobs, I can honestly say I absolutely hate doing, I took them on, too - in addition to being 2020 show chair, responsible for catalog sales, onsite show secretary for both shows and outside ring steward for both shows. And got 100% of the 2020 trophies sponsored and the 7 framed Schipperke prints cost the club nothing.

My first task was getting on the AKC website and go over all of the show applications as there was information I needed for the premium list. Show chair names had to be changed, a second obedience and

rally trial had to be added as did the second Futurity/Maturity classes. Fortunately for us, the penalty for late changes had been waived because of the pandemic.

Doing the premium list was time consuming because neither the club nor Caper have a template for it. I had to convert the .pdf file of the 2019 premium list to text in Word, which does weird things to it as far as layout goes. Anyway, got that handled and am in the process of creating a PL template to make it easier for future show chairs. Doing it the way I did it caused a few things to be left out that will be added in the template.

It had been agreed in advance that the trophies for the 2020 National would be scaled back, leaving the 2021 to be the premier event. I found some great tote coolers that had sunflowers all over them and fell in love with them. I really wanted one for myself but they only had 22, which is how many I needed for the major prizes and they were not ordering more.

When the contract was originally made with the hotel, we did not expect such a great entry, consequently we pretty much outgrew the ballroom. The original plan was to have everything in the ballroom – the ring, vendors, paid grooming and free grooming. The paid grooming was advertised as 10'x10' and 24 spots were sold. AKC has a rule that you must provide an equal amount of free grooming space so at first the only way we could come close to achieving that was to scale down the size of the vendor spaces. Lisa Haines worked hard at trying to make it all work, finally our hotel contact used her software to have a try at it. In the end, the only solution was for the hotel to give us an extra room just across the hall from the ballroom at no additional charge for the free grooming, making it to where the vendors could also have 10'x10' spots.

Our contract gave us 4 upgraded corner suites to assign to whoever we wanted to have them. One was given to Jo Patrick, as the 2020 judge and also as show chair of the 2021 national; the 2nd one was given to Vicki Marks as 2021 Trophy chair; the 3rd one was used by Rick Garvin, the obedience/rally judge, for one night and by Peggy Lloyd, our 2021 conformation judge, the rest of the week and the 4th one was used by our president, Lee Ann Stusnick. I chose not to use one. Just to be clear, these were *not* comp rooms except for the judges (Jo's was only comped for 2 nights per her contract), they were

2020/2021 NATIONAL SPECIALTIES

simply upgrades charged at the contracted room rate.

I have worked with a lot of hotels in my 59 years in the dog game and I have to say that the staff at the Capitol Plaza was the best. They went out of their way to make sure everything was satisfactory. The food was fantastic. Way above most hotels I have been to. And they want us back. I guess my only complaint is that they only served breakfast and lunch. We were told they do not get enough people for dinner to offer it right now because of the pandemic. One night I ordered a steak dinner from Denny's and including delivery it only cost me \$16.00; the other nights I had leftovers from my lunch for dinner, so it really was not that inconvenient.

And, yes, Caper made a few mistakes but we worked through them, nobody got hurt, nobody died, and most people probably never even noticed. I called them to Caper's attention after the show. One had a reasonable explanation and was corrected for our Lone Star specialties; the others were simply errors on their part. And who among us has never made a mistake?

I will say one thing for Topeka, they are not very senior-friendly right now. It is impossible to rent a mobility scooter there. All of the companies that normally rent them sold them all last year because of the pandemic. The ballroom was a good hike from the hotel and with my balance problem I was worried about getting to and from. I ended up renting a scooter in Oklahoma City that comes apart in 5 pieces so was able to be carried inside Lee Ann's motorhome.

There was one interesting incident that happened on Wednesday morning. Right after Brian announced the playing of the National Anthem, the Futurity/Maturity judge, Patrick Byrne, looked at me and asked if I wanted him to sing it. I got up to stop Brian from playing it but he had already queued it so it was too late. I felt it disrespectful to stop it after it had started. I think it was a very thoughtful gesture on the judge's part.

I want to thank Jo Patrick for her knowledge and support from the time we were chosen as 2020 and 2021 show chairs. I want to give credit to Virginia Larioza, too, as our Social Media Chair, who really kept both nationals in the spotlight with her clever postings. I think this kind of promotion led to the great entry. Additionally, I want to thank Mary Kraus and Brenda Boell for stepping up to co-chair obedience and rally; to Vicki Marks, the 2021 trophy chair; Brian Carbone for providing the music and microphones; Brian's mom for helping me sell catalogs and wrapping the judge's gifts; Mariah Jeon and Kathy Davis for the wonderful welcome bags and taking care of the Hospitality Room and to Jaime Stanchina, the ribbon chair who was responsible for those fantastic rosettes - they and the entire show committee all did a great job.

The dogs --- so many really top-quality dogs in one location was such eye candy! Our breed is in good hands. I was really impressed. Complete results can be found elsewhere in the Bulletin along with the win photos.

All in all, I think the shows went off extremely well. Exhibitors seemed to be happy, I had a lot of compliments both in person and on Facebook.

LONE STAR SCHIPPERKE CLUB BACK-TO-BACK SPECIALTIES

October 2, 2021
Carrollton, Texas
by Beverly Henry

We had a wonderful entry this year with 37 entries in the morning show and 34 entries in the afternoon show. The difference being the 3 entries in the 4-6 Month Beginner Puppy show in the morning. Both of our sweepstakes judges were AKC licensed judges who were working towards applying for Schipperkes in the near future.

As always, Beth Lilly and Lezlie Hall outdid themselves with their trophy selections. And everyone was thrilled to see that our Texas Feedbag was back after not being able to offer it because of COVID last year.

These were the last shows to be held at Houn' House Kennels. The owner could not guarantee us a contract for 2022 because a possible sale of the property so we went bigger and better! Our next show will be held on October 1, 2022 at the North Texas State Fairgrounds, 2217 N Carroll Blvd., Denton, TX 76201. We will be in the West Wing of the building, which is on the far side of the building as you come in the driveway. There will be no limit on the number of dogs, there will be full hookups for RVs at \$25 per night and you will be able to flush toilet paper down the commode!

You have to have been to Houn' House to understand that last statement. LOL

The box-like structure in the back of the photo are the restrooms. The new show site is only 2.5 miles east of I-35E with lots of restaurants and fast-food places (some within walking distance) and is right behind a Kroger store. Caper will be our superintendent.

Everyone seemed to have a great time. We had entries from as far away as Florida, Arizona and Missouri.
