Sootie

MRBIS OHBIS GCHS Deloran's On Board Viking, CGC

What a wild ride this little black dog has taken us on these last eight years! Sootie was our first Schip and first show dog. From the first time Sootie hit the ring she was a little rock star. She has that "*Hey, look at me attitude*" and she loves the Groups and eats up all the cheering. Sootie's first time out as a veteran, she takes a group 1, then goes on to RBIS, OHRBIS and Best Veteran In Show!!

Something tells me she's not ready to retire!!

Thank you to all the judges that have recognized her throughout the years! Sootie truly is one special girl.

President's Message

PLEASE DONATE NOW

Trophy donation lists for the National Specialty and the two Regional Specialties are now available on the SCA website under the *Events* tab. Very few donations have been received so far. If additional pledges are not made soon, trophies will **not** be offered. The SCA cannot absorb this expense, so we rely on member support.

Breed Standard Petition Update

As noted in the Members Only section of the website, the AKC Board has reviewed the proposed revisions to the Schipperke breed standard submitted by petition and has voted to allow the club to proceed to ballot the membership in accordance with our Constitution and By-Laws. The SCA President and Corresponding Secretary were notified on November 10, 2025.

The letter and ballot have since been approved by the AKC and will be mailed by the Corresponding Secretary in December. The delay is due to the Secretary's extended time away from home and subsequent responsibilities at the AKC National Championship in Orlando as our Delegate. Please direct any further questions or comments to me.

The cost both in time and money of this petition process has been substantial. Lee Ann and I have spent many hours preparing, proofreading, and revising materials for the AKC, as their drafts contained numerous errors requiring correction. Preparing the final letter, ballot, and member mailing requires significant supplies and postage, especially due to the requirement for a secret ballot and multiple envelopes per member. Each time the SCA is petitioned, our treasury absorbs these costs, something that is often overlooked.

2026 National Specialty

At the most recent Board meeting, several topics regarding the 2026 National were discussed. As the landscape of National Specialties continues to evolve, the SCA will need to adapt as well.

For 2026, the Board has decided to eliminate the Annual Banquet. Participation has declined in recent years, and the cost of banquet dinners has risen beyond what many members are willing or able to pay. With this change, the #1 dog in each category will be recognized during the Annual Meeting.

The Top 20 is shaping up to be a wonderful event. Unfortunately, rising costs for food, prizes, rosettes, and gifts required us to increase participation and attendance fees. We hope members will join us for this special evening, especially since we are not holding a banquet this year. Looking ahead, one idea is to transform the Top 20 into a gala event and combine it with the annual awards, into one big celebration! We welcome member ideas and feedback.

Volunteer Opportunities

We are still seeking volunteers for the Ways & Means Committee and the Merchandise Committee. If you are a newer member looking to get involved, or if you simply have time and interest to contribute, we would love to have your help. Please reach out if you would like more information.

Performance

The Board has approved an SCA-sponsored, two-day FastCAT event in Chehalis, Washington on May 9–10, 2026. More information will be coming soon. Thank you to Kathy Swan and her team for organizing this opportunity.

The 2025 AKC Fast CAT Invitational took place October 15–8 in Wilmington, Ohio. In the Pure Speed Division, the top 10 fastest dogs in each height class were recognized based on actual running times. In the HC 2 Pure Speed Champion Division, 3rd Place was awarded to *Coco Jacks Kayce Bear AX MXJ OF FCAT6 DJ CGC TKN* (“Kayce”, a Schipperke owned by Sherry Point and Sheryl Meyer. Congratulations to all!

Other News

After years of discussion, the Board has voted to invest a portion of SCA funds into an interest-bearing account. We believe the club should earn income on its reserves. Thank you to Treasurer June Moore for researching the options and implementing this change.

Thank you to everyone who completed the Medals & Awards poll. Your feedback was extremely valuable, and the Board is reviewing options to continue offering medals and to better clarify their purpose and criteria.

AMERICAN
KENNEL CLUB®

AKC® Code of Sportsmanship and Civility

Preface: The tradition of competitive purebred dog events predates 1884—the year the American Kennel Club (AKC®) was founded. Those involved in these sports share core values, including a strong commitment to sportsmanship and a welcoming, respectful culture that embraces the diverse community united by a love of dogs.

These values are evident across all aspects of the sport: conformation, performance, companion, and family dog activities. Many believe that the enduring principles of sportsmanship and civility are key reasons the sport has thrived for over 140 years.

Recognizing that periodically reaffirming our shared values strengthens our community, the revised code will be shared widely to highlight the foundational values and principles that define the sport.

- Sportspeople always place the welfare of their dog above all else.
- Sportspeople prioritize the long-term health and preservation of their breed, making decisions that reflect a deep commitment to responsible breeding and ownership.
- Sportspeople respect the history, traditions and integrity of the sport of purebred dogs.
- Sportspeople conduct themselves in a manner that reflects positively on the sport, the American Kennel Club, and themselves.
- Sportspeople appreciate, encourage and support all who associate with and participate in the sports by fostering an environment where respect, equity, inclusion, and courtesy are foundational.
- Sportspeople understand, uphold and abide by all AKC bylaws, rules, regulations and policies.
- Sportspeople contribute to a positive atmosphere at events by avoiding negative gossip, disparagement, or unsportsmanlike behavior.
- Sportspeople extend their values of civility, fairness, and respect to all digital and social media platforms.
- Sportspeople actively support the education and mentorship of newcomers, helping them learn the rules, values, and traditions of the sport in a respectful way.
- Sportspeople recognize that they are role models in the sport, and strive to lead by example through humility, kindness, and ethical conduct.
- Sportspeople treat fellow exhibitors, judges, officials, volunteers, spectators, and AKC staff with dignity and respect, regardless of experience, background, or differences in opinion.
- Sportspeople are committed to fair play, honesty, courtesy, and competition, approaching both winning and losing with grace.
- Sportspeople understand that strong competition and civility can—and should—coexist. They appreciate the quality of their competitors, and the effort put forth by others.
- Sportspeople uphold their responsibilities to the sport of purebred dogs and refuse to let personal gain or self-interest influence their decisions or behavior.
- The sportsperson judges only on the merits of the dogs and considers no other factors.
- The sportsperson judge or exhibitor accepts constructive criticism.
- The sportsperson exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsperson exhibitor refuses to compromise the impartiality of a judge.
- Sportspeople are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportspeople decline to exploit any positions of authority or recognition for personal advantage.
- Sportspeople appreciate those that have gone before them and realize they are responsible for maintaining and enhancing the sport for future generations.

We Do for Dogs.**

PREVENT PET SUFFOCATION

ISSUES

Food bags can be deadly to your pets!

Dogs suffocate daily in chip/snack bags, pet food bags, and plastic bags within minutes.

Learn how to protect your pets!

Bag seals around pet's head and neck. Can suffocate in 3 to 5 minutes.

This also affects wildlife.

Can happen if person is home or not. 50% of events happened with person at home. 19% of survey respondents were gone less than 15 minutes. 40% were gone less than 1 hour.

Pet size, breed, or age doesn't matter. 89% were dogs. 52% were between 25 and 75 lbs.
