PROCEDURES

This event provides special recognition to those Schipperkes with the most outstanding records in the conformation ring during the previous calendar year, together with their breeders, handlers, and owners.

The event offers all who attend a chance to view, in one location, one at a time, the very best Schipperkes in the country, based upon their competitive standings for the previous year.

Using the scale of points, as approved by the SCA Board, each dog is evaluated according to how closely it conforms to the breed standard. This procedure is not available at any AKC show and allows the spectators an opportunity to evaluate the dogs, scoring them at the same time they are being judged.

The Top 20 Chair shall turn over all files created for the event they chaired to the new Top 20 Chair within 30 days of their approval by the Board.

JUDGING PROCEDURE SUGGESTIONS

(Judging procedure may vary according to the procedure used, but in any case, each dog will be judged individually by each judge)

1. Each dog will be judged individually. The first dog will enter the ring and go around, then pose for "First Impression." The dog will then be moved down and back, and in a circle while all

three judges watch, and the judges will score the dog for movement. The dog will then be examined and scored individually by the three judges, each judge examining the dog on the table as he/she sees fit. The dog will then circle the ring and exit. This process will be repeated until all dogs have been scored.

2. All dogs will be scored by each judge using the scale of points as provided by the Top 20 committee and approved by the Board of Directors.
3. Immediately following the judging of each dog, each judge will fold the score sheet and hand it to his steward, who will then turn it over to the 2 independent and impartial tellers to be tabulated. The scores for each dog, from each of the three judges, are added together by the tellers. The total is the dog's score.
4. The winner will be determined on the basis of the total score of each dog
5. In the event of a tie, the winner is determined by consulting the First Impression total. The dog with the highest First Impression total is declared the winner. If there is still a tied score, there will be two winners who shall share the title of Top 20 winner.
6. If the committee chooses to award a "People's Choice" Award, the ballots will be collected in a box prior to announcement of the judge's choice winner. These ballots will be tabulated by the same tellers tabulating the judges' sheets.

This committee chair receives a $500.00 advance as part of their doing business. The advance must be requested of the Treasurer; it is not automatically sent.
